Office of the Bishop

424 N. BROADWAY | WICHITA, KANSAS 67202

To whom it may concern,

Wichita Adore Ministries (WAM) serves as a ministry seeking the heart of Christ in the Eucharist. It is their sincere mission and goal that each soul has the chance at a real, authentic encounter with Christ. Whether this chance comes through an Adoration event or an event they help produce, WAM will do everything they can to ensure every person gets this chance.

WAM has conducted hundreds of Adoration events in the Catholic Diocese of Wichita, and the fruits of these events are clearly seen. A heightened call to Eucharistic Adoration, a chance at intimate prayer, opportunities for Confession, and a faith community are only some of the good they bring.

Above all, WAM stands ready to bring Christ and His children together. Their presence in your diocese, parish, or event will be one of faith, passion, and excellence as they strive for another soul's conversion. If there are ways they can help you and your cause, rest assured they stand ready to serve.

Wichita Adore Ministries has served well here in the Diocese of Wichita, KS, and it is my hope that their mission continue both here and beyond. This ministry and call everyone to the heart of Christ is one of utmost importance, and as such has my full support and endorsement to continue and spread its work.

Sincerely yours in Christ,

Most Reverend Carl A. Kemme, D.D.
Bishop of Wichita
