To whom it may concern,

Wichita Adore Ministries (WAM) is a new ministry formed around Jesus Christ in the Eucharist. Their mission is to give ever-more people a chance at a meaningful experience with Christ. WAM's role at our events has always been a blessing, making the event a more complete invitation to faith for those in attendance.

Wichita Adore Ministries has been a trusted partner of the Archdiocese of Kansas City in Kansas for several years. As a production company they are very attentive to our Catholic liturgical considerations and our presentation needs. They take the time and care to ensure that each person is engaged in an elevated experience. Additionally, they are talented and thoughtful musicians and vocalists, and well-prepared to lead people of all ages in worship.

More than anything, WAM is a group of committed individuals that are ready to do their part to help Christ and His Church. Whether they are assisting with something at a local or larger level, it is assuring that they are ready to put in the extra effort needed to elevate their events to the highest level. Their mission, '*To Bring souls face to face with Christ and form missionaries of the New Evangelization*', is lived out by every member of their team at every event.

Wichita Adore Ministries has been a true help to our efforts in the Archdiocese of Kansas City in Kansas, and I hope that this mission continues to serve both here in the Archdiocese and wherever they called next. This ministry has my support and endorsement to continue and grow their reach.

Sincerely yours in Jesus, the Lord of Life,

Archbishop Joseph F. Naumann
